MATHEMATICIANS OF HAPPINESS: RAISING HIGH THE BANNER OF KOSEN-RUFU

Dear Statistics Incharges,

Thank you so much for striving so hard, taking care of BDS and leading the member care in each unit in your care. Due to your persistent, sincere and determined efforts, we witnessed that majority of the districts marked the attendance of discussion meetings and Gosho meetings in the month of January and February 2025. Many many congratulations! We are sure Ikeda Sensei must be so happy to see each one of you reporting victory through dedicated efforts in statistics and BDS. Kudos to each one of you!

Ikeda Sensei writes, **“March is the time when trees and shrubs begin to parade their fresh green and their lovely new blossoms. Youth, whom I will always love and trust! The 21st century is yours. Your time has come. It has, inexorably, begun.”** (VC, Mar 2025, p. 57). March 16th is here again. Youth division is striving courageously for March 16th region level gathering of successors. Let each of one of us-statistics incharge support this campaign and this meeting with all our hearts through daimoku and taking action by holding dialogues and introducing many youths who will lead the kosen-rufu movement in the time to come.

As we move towards our cherished goal of 350,000 this year, leading towards 1 million goal by 2030-our activities and actions as statistics incharges would be decisive. Let us reconfirm our centre points of activities - Daimoku, Home Visit and Shakubuku (DHS) with each fellow statistics incharge. Let us win for our mentor and for all our members once again.

Let us win for sure. And let us win together.

Next month we will be celebrating the 10th anniversary of the formation of BSG Statistics Department. Let's do it with another round of activities and take lead in BDS in the current appointment cycle.

Lastly let us strengthen our determination by imbibing the below excerpt from Sensei's poem “A blue deeper than indigo itself”:

**With a golden unity that will never break down,
give yourselves to accomplishing this,
our sacred undertaking,
bringing in a new day in the history of humankind.**

BSG STATISTICS DEPARTMENT MOTTO

“With the heart of oneness of mentor and disciple,
we cherish each life as Bodhisattva of the Earth and strive
diligently towards the dynamic and eternal advancement of Kosen-rufu.”

**THOUGHTS ON THE NEW HUMAN REVOLUTION
MEMORIES OF THE MAGNIFICENT CEREMONY ON MARCH 16TH**

I have fulfilled my vow to my mentor.

I have fulfilled my vow to my fellow members.

I have fulfilled all the objectives I pledged to achieve.

On that day, when we gathered at the foot of Mount Fuji, we entered a new stage in the progress of kosen-rufu.

It was a cold day. The grand peak of Fuji looked down on us from above, serenely witnessing the event.

The ceremony on March 16th was exhilarating. Mr. Toda announced that he was passing the baton of kosen-rufu on to the youth division. The hearts of his young disciples burned with enthusiasm. Their proud sense of mission leapt up like dancing flames.

On that day in 1958, some 6000 young disciples had gathered with their mentor Josei Toda, whose life was quietly ebbing away. Everyone celebrated that landmark day with great joy and excitement. Brave young men and women dedicated to kosen-rufu had assembled from all over Japan. They shook hands, patted each other on the shoulder, and talked and laughed together. It was a joyful vision of future triumph.

* * *

After the ceremony, I saw the members off. As they waited for their buses home, I had our brass band play for them. Eventually it was time for the band members to leave, too. They came to say their goodbyes to me, and I made a request of the band leader. "I'm terribly sorry, but could you play one more song? Mr. Toda is on the second floor. I'd like you to play one farewell song."

The band members gladly opened their instrument cases and played with all their hearts. The song was 'A Star Falls in the Autumn Wind on the Wu-chang Plain', a song with so many memories for us all.... I cried out with my heart. "Sensei, please listen. The youth division, your disciples, are strong and spirited. Do not worry!"

ETERNAL GUIDELINE FOR THE STATISTICS DEPARTMENT

"A membership card is not a piece of paper; it is the life of one person. In it, the life pulsates, the personality is contained, and the drama of awakening in faith and rebirth is played out. There exist the human-to-human bonds of warm trust. Because we have been cherishing each person to the utmost, we see the magnificent development of the Soka Gakkai today."

- Daisaku Ikeda (December 15, 2002)

EMBRACING MY NEW PLACE OF MISSION WITH STATISTICS

Jyoti Gupta

**District Statistics Incharge,
South India Area**

Scan to listen to
the experience

I have been practicing for the past seven years and have reported several victories. But 2 years ago, when I moved from Chhattisgarh to Bengaluru, a new set of challenges opened up – a new place, a new environment, look out for new job and difficulty in connecting and communicating in my new district. In such state, I attended my first discussion meeting in Bengaluru having attendance of only 5 to 7 members.

Ikeda Sensei says, **"To be fearless no matter what happens—that is the root of true happiness. To move forward resolutely regardless of what lies in store—that is the spirit, the resolve, that leads to human victory"** (daisakuikedai.org).

Refusing to be defeated, I made a fresh determination to deal with the challenges of the new place and to transform my district into a victorious district. It was then I was entrusted with the responsibility of district statistics incharge. I fervently prayed for my district's growth and the emergence of new members. With sincere daimoku, I found clarity and courage. I decided to switch from the banking sector to the digital marketing field and enrolled in a digital marketing course.

Despite my busy schedule, I diligently engaged in kosen-rufu activities, encouraged members, prayed for inactive ones and reached out to them. Although initial responses were slow, but two members eventually reconnected to the practice, one WD

member even enshrined the Gohonzon, and our discussion meeting attendance increased to 8-10. Further, as a statistics incharge, I challenged to timely mark the attendance, proactively responded to transfers, and kept BDS updated to have prompt and accurate data to reach out to members.

Every time I experienced doubts or uncertainty, I chanted and re-determined to not be defeated. I made Gohonzon and my district the centre of my life. I intensified my kosen-rufu activities, chanted long hours of daimoku, met members daily, and made the study of Gosho, NHR, and VC integral part of my life. Eventually, I secured a job as an intern. Even though the salary was less initially, I started making financial contribution every month.

In 2024, I introduced my husband who is now an active member. Members now joyfully attend the meetings, and our active membership has grown to 10-15 members. Further, I have taken a big step forward in my career by starting my own digital marketing company in partnership with a friend.

In this year of soaring higher, I am determined to show monumental actual proofs in my life and in the lives of my members, family and friends. Together, we will continue advancing joyfully, with unity and conviction. I determine to become the trusted disciple of Ikeda Sensei and foster capable successors towards 2030. ●●●

Timely attendance marking is an expression of reporting victory to Ikeda Sensei by statistics incharges!

Q. How does the appointment flow work in BDS?

Appointment module is available on BDS to facilitate the appointment cycle. During the appointment cycle,

- Appointment recommendation is made by the **Appointment Recommending Committee (ARC)**.
- The recommendation form then goes to the **Appointment Approving Committee 1 (AAC1)** for approval.
- Once the appointment is approved by AAC1, the recommendation form then goes to the **Appointment Approving Committee 2 (AAC2)** for approval.
- Once all approvals have been given, the **AAC1 and AAC2** holds interaction with the '**leader recommended**'.
- Then the interaction is marked in the BDS, and a consent link is sent on e-mail to the '**leader recommended**'.
- Once the '**leader recommended**' gives the consent, the appointment can be marked in the BDS.

Let's understand through the example of a block leader appointment:

A block leader appointment is recommended by the ARC which is district in this case who firstly discuss all the appointments to be recommended and then **the district statistics incharge (DSI) fills the appointment proposal form on BDS**. The process is as follows:

2. Now **Search** the member who has to be recommended for block leader and click **Apply** which will open their recommendation form.
3. Cross-check their pre-populated details and fill the remaining details in the form and then **Submit**.

Role of ARC – Recommendation

4. Once the DSI has initiated the recommendation, all district leaders including the DSI to individually login to BDS and click on **Recommendation** tab.

5. All the appointment proposals submitted by the DSI are displayed here. Click on **Review** against the proposal whose recommendation approval needs to be given.

6. The recommendation form opens. Click on **Recommend**, and a few questions appear on screen.

10. All the received appointment proposals are displayed here. Click on **Review** against the proposal to be approved.

11. The recommendation form opens. Click on **Approve**, and a few questions appear on screen.

12. Fill the responses and **Submit**.

***AAC1 must meet in person and discuss all appointment proposals before approving them.**

Role of AAC 2

13. Once the AAC1 has given approval, **the recommendation form goes to the AAC2 which is region in this case.**

14. Region leaders will login individually to BDS, click on **Appointment**, then **Approval** followed by **Approval level 2**.

15. All the received appointment proposals are displayed here. Click on **Review** against the proposal to be approved.

16. The recommendation form opens. Click on **Approve**, and a few questions appear on screen.

17. Fill the responses and **Submit**.

***AAC2 must meet in person and discuss all appointment proposals before approving them.**

Marking of Interaction

18. Once all the approvals have been given, **AAC1 and AAC2** will hold an interaction with the '**leader recommended**' and the same needs to be marked in the BDS by the chapter statistics incharge (CSI).

19. CSI will login to BDS. Click on **Appointment** and then on **Mark Interaction**.
